AND AT NIGHT.

FALL PLAY

The plot of this year's fall play, "The Solid Gold Cadillac", revolved around a little old lady, Miss Laura Partridge. She owned only ten shares of General Products, but she takes over the company. It began when she was given a token job by the Board of Directors. It ended when she and Senator McKeever turned against G.P. and put the Board out of power. The way she and the Senator succeed made an entertaining comedy.

The old lady, Mrs. Laura Partridge (!) being interviewed.

The Senator's sexy secretary holds the phone while he exercises.

The climax, where it's found that the proxies are in Mrs. Partridge's favor, putting her in power.

"The Ugly Duckling"

ONE ACTS

The Novice One Acts provided the beginner with dramatic experience, enabling the student to compete for a part in later productions. Only students who had never had a major role in an HF production were cast. This year's One Acts included a comic farce about an unusual love triangle. It was directed by Eric Nicholson and was entitled "Passion, Poison, and Petrification". Another play entitled "The Bald Soprano" showed how people really can't communicate and was directed by Jill Taylor. Finally there was the play about the seemingly ugly prince and princess, entitled "The Ugly Duckling" which was directed by Pam Karl.

PANTAGLIEZE

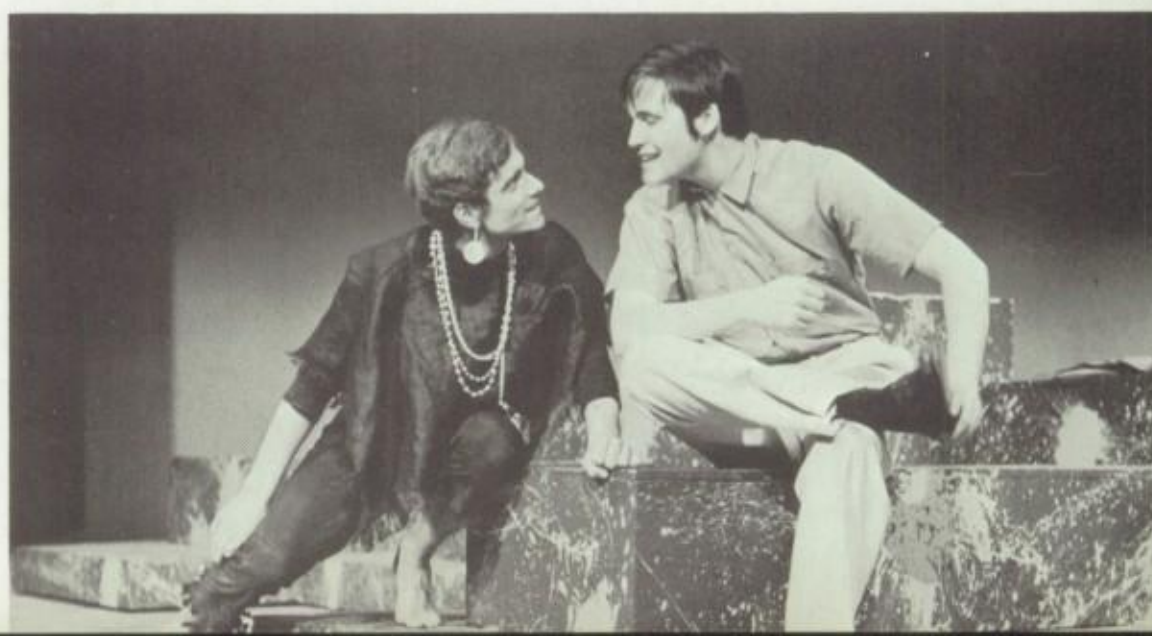

This year's contest play was successful in competition. Eric Nicholson gave striking performances as Pantaglieze, the man who sets off a major revolution merely by saying "What a lovely day!" Nancy Lane portrayed Rachel, the girl he falls in love with while unwittingly participating in the revolution. The play took 1st place in the conference, district, and sectional tournaments and 2nd in the state tournament. Eric Nicholson and Nancy Lane had the honor of being named to the all state play cast.

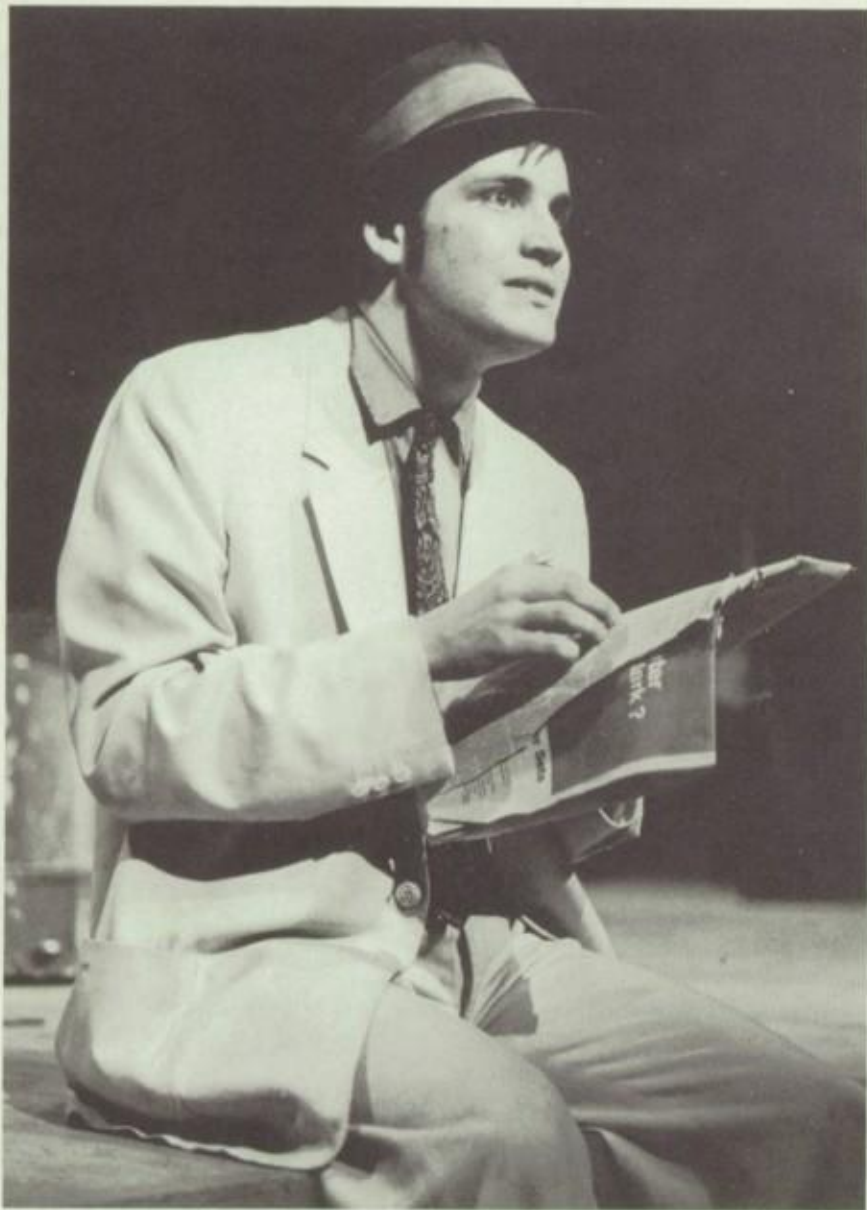

Joe Burda and the rest of the revolutionists in this dramatic scene.

Pantaglieze with his servant, Bamboola, played by Chuck Lesh.

THE JUNIORS TOUR

These are the people who journeyed into our country's past on the Washington Trip. Their trip was well organized and enjoyed by both the students and the chaperones. Designed to supplement the Junior American History course, the trip was not only educational but fun as well.

This year's Washington Trip gave the juniors an opportunity to see their nation's capitol first hand. Not only did they tour Washington, D.C., but they also had a chance to see how people lived in the past by walking through historical Jamestown and Williamsburg. Sights such as the White House, Kennedy's grave, the Senate in session, the Governor's Palace, and many more will never be forgotten. Also remembered will be the funny incidents that happened in cafeteria lines and on buses. The trip was definitely a success and all profited from it.

As a side trip, the juniors toured historic Williamsburg . . .

. . . and the restored settlement of Jamestown.

A. F. S.

A wish come true. This is what American Field Service does for many students all over the world. H-F's local organization of A.F.S. makes it possible for foreign students to visit our school. This year three students became part of our high school community. They lived with members of our student body and became part of their families. Proceeds from the doughnut sale and the annual travelogue series enabled American students to enjoy the same opportunities.

New to our student body this year were two exchange students sponsored by Rotary Club International. Rotary is composed of heads of local businesses in the surrounding area. Their purpose is to support friendly relations between countries through programs of educational advancement. A family in a foreign country sends one of their children to study and live with a family in the United States. In exchange the American family sends one of their children to live with the foreign family. The Rotary Exchange furthers mutual respect and understanding between the people of foreign countries and the United States.

THESPIANS

National Thespian League is composed of students active in Drama, Speech and Debate, and Radio. By earning points through the various activities they achieve the required number for membership.

SPEECH TEAM

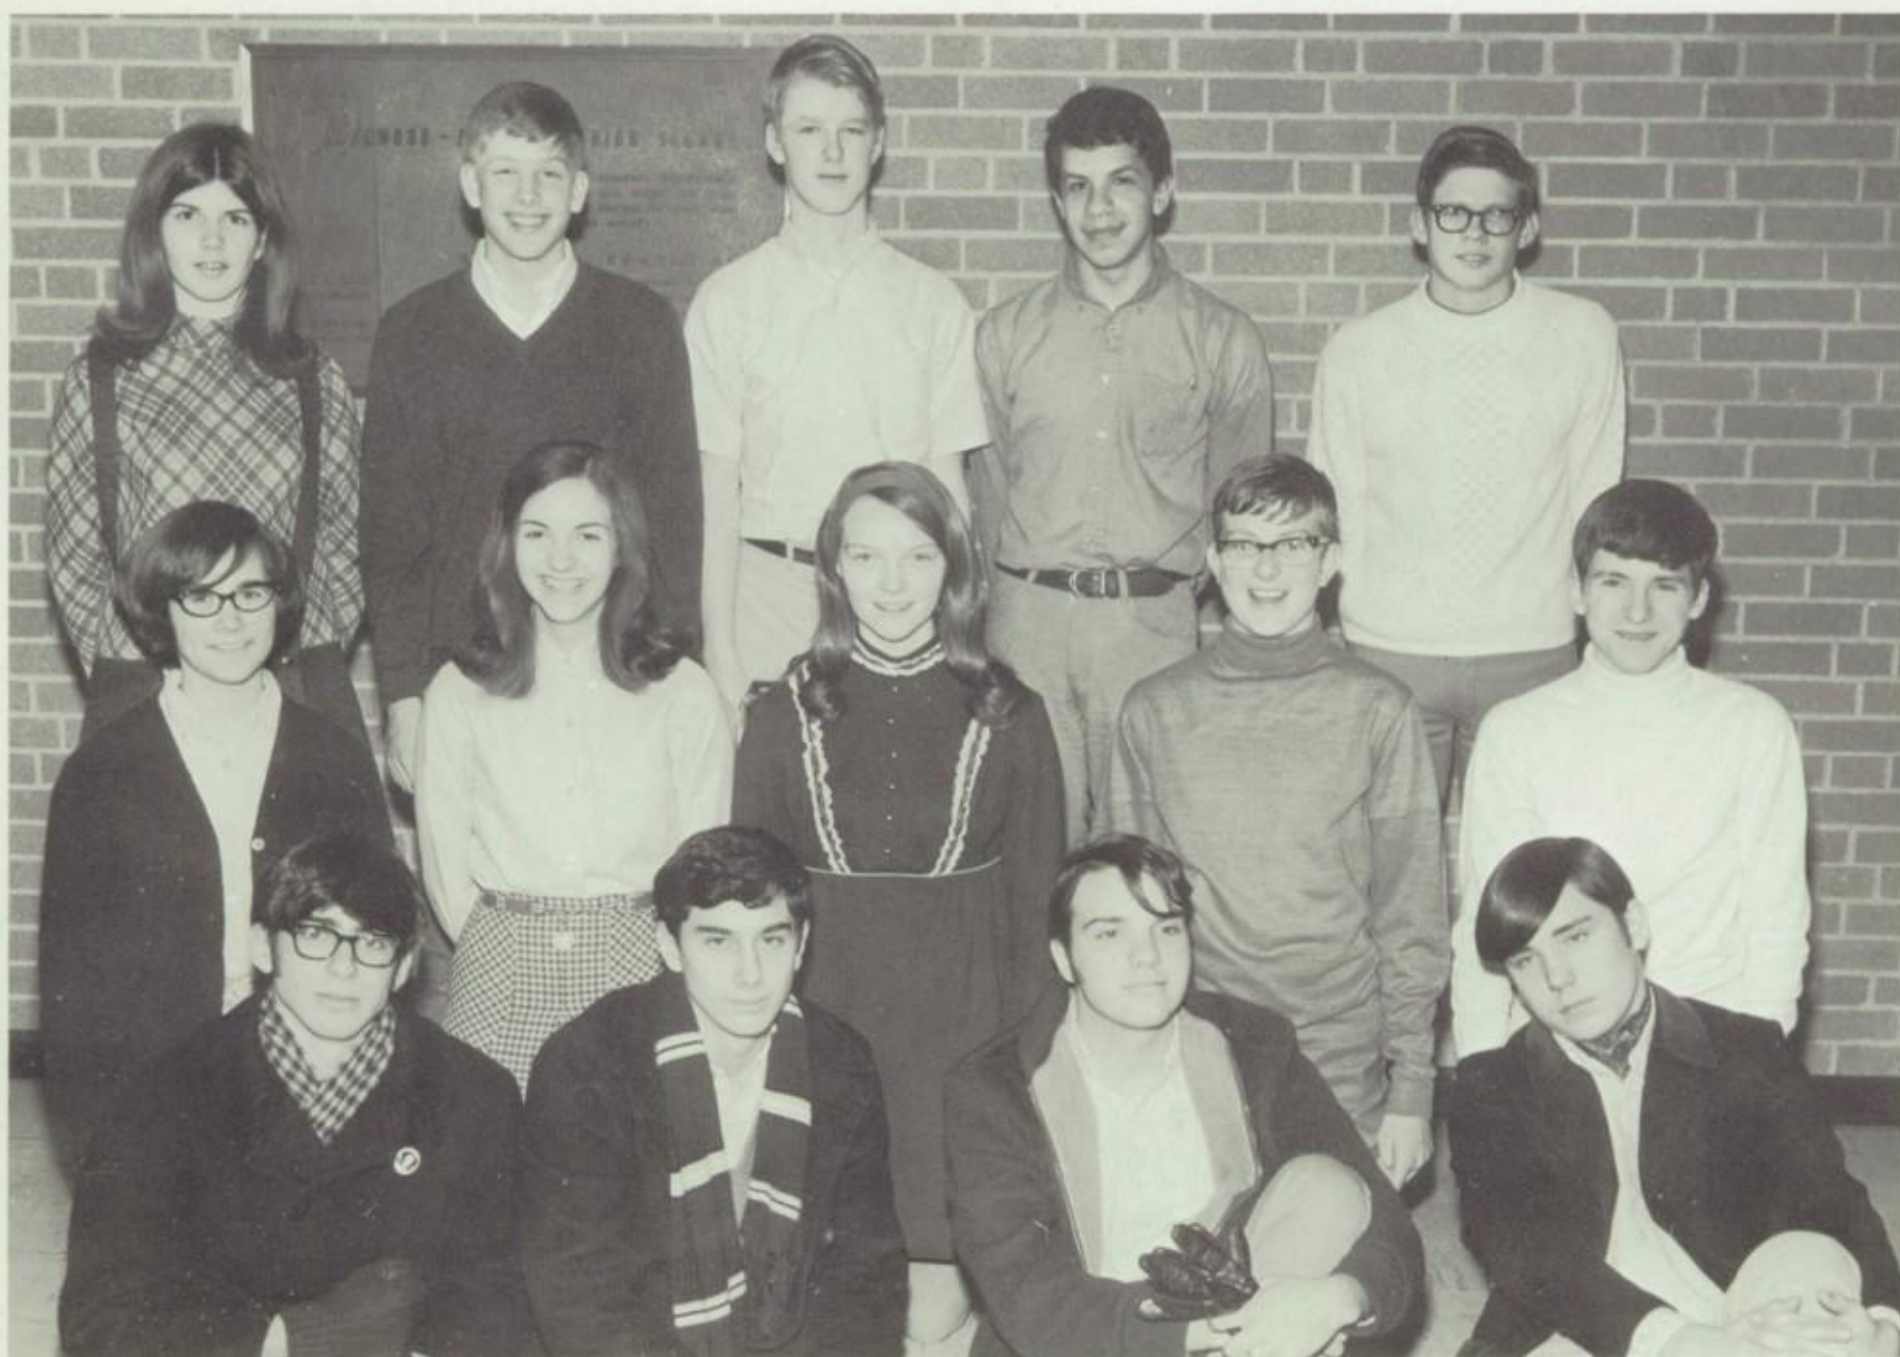

The H-F Speech Team had a successful year. At the beginning of the season the team took 1st place in four local contests. The team ended the season by taking 1st in the district and sectional contests which enabled them to go to the State Finals where they won the State Sweepstakes Championship. At the State Contest Danna Thompson placed 1st in verse reading and Jan Hillemeier placed 5th in comedy reading. The school should be very proud of the individuals that were part of our Speech Teams this year.

In comedy reading, Jan Hillemeier placed 5th in state.

SUCCESS OF YEARBOOK

The applause has ended, the curtain has fallen and the play is over, another year of our lives is recorded. We have acted our last scenes at H-F. We entered as freshmen with visions of stardom, but now as we look back we can't believe that it's over. We can see so clearly those first days as freshmen. We are about to emerge into a world that encompasses a wider scope than what we saw at H-F. Its problems will become ours. We are to play a more important role in society. Our activities will no longer be limited to what we experienced at H-F. We will meet new faces, enjoy new experiences and pursue new goals. When we find time to look back we will see how very small our world at H-F really was, but then it was important to us. At H-F we passed from childhood to maturity, we discovered many new interests and demanded more rights without necessarily accepting the responsibilities that go along with them. We are entering a new experience and we can only hope that what we have encountered at H-F will help us face the responsibilities before us.
